

A Digital Realty and Brookfield Infrastructure JV

SUMARÉ CAMPUS

Sumaré Campus

Located in the Campinas Metro Area, one of the largest technology hubs in Brazil, the city of Sumaré is home to an Ascenty Data Center Campus.

The Sumaré site is strategically located along the Anhanguera Highway, and close to the Bandeirantes and Dom Pedro Highways, three of the country's most important highways, allowing for quick access to the airports and the city of São Paulo.

**Rod. Anhanguera, s/n - Parque das Industrias
(Nova Veneza), Sumaré - SP, 13177-435**

Certifications

- Oracle FastConnect
- Google Cloud Interconnect

About Ascenty

Ascenty, a Digital Realty and Brookfield company, is the largest connectivity and data center service provider in Latin America, currently managing 28 data centers in operation and/or construction in Brazil, Chile and Mexico, interconnected by 5,000 km of proprietary fiber-optic network.

The company was established in 2010 and builds and operates world-class data centers serving the world's largest cloud and technology providers, as well as other customers in the finance, retail, industrial, healthcare and service industries. To support the company's expansion, Ascenty is backed by its shareholders which include Brookfield Infrastructure Partners, a Canadian asset management company and Digital Realty, the world's largest data centers provider with 290 data centers located in North America, Europe, Latin America, Asia and Australia.
